## Hockey Club Admitted to CAHL

At a meeting of the Central Alberta Hockey League held at Lacombe on Sunday, Didsbury Hammers were admitted to the league on a permanent basis. Last season the local club were admitted on a trial basis.

The Sunday meeting was attended by Dale Kimmel, George Wilkins, Bill Cowan, Cliff Sorenson and John Holub.

Main recommendation made at the meeting was that the top four teams in the league play off at the end of the season and the bottom four teams play out, the winner of each section to meet in a final series. Final winner would advance to provincial 'A' intermediate playoffs.

## WEST NOTES

(From Our Own Correspondent)

We are pleased to hear that Mrs. K. Kouschuh is able to be home from a Calgary hospital and she had many visitors on Sunday, including her two daughters and their families from Carstairs.

Mr. Glen Ray was able to come home from the Didsbury hospital last week but Leonard Cowitz is back in.

Mr. and Mrs. F. Byrd of Madden visited the former's mother on Sunday.

Mrs. Buck, who recently returned from spending the winter in California, is visiting at the home of her daughter, Mrs. O. Thompson.

Mrs. O. Krebs was up from Calgary for the weekend.

Mr. and Mrs. A. Cowitz spent Thursday evening with Mr. and Mrs. O. Thompson.

Mr. and Mrs. E. McInnis visited with Mr. and Mrs. L. Krebs on Sunday.

## Westcott W.I. Cake Demonstration

The Westcott W.I. met at the home of Mrs. Walter Feiler of Carstairs on Wednesday, May 6, with 20 members and five visitors present.

Meeting opened in the usual way by singing O'Canada and repeating the creed. Roll call was answered by exchanging seeds and slips of plants.

Highlight of the afternoon was a demonstration on the making of chiffon cake by Mrs. Roy McNaughton of the Rugby W.I.

Three more quilts for the Red Cross were finished. Mrs. C. Eckstrand was named as delegate to the Edmonton convention scheduled for May 25th to 28th.

Two Scotch serapbooks were received from a lady in Scotland. The favor will be returned with serapbooks from our country.

Mrs. Ed Klinek gave the educational talk. It was an article from the "Post" on "It's the Doctor's Job. Let Him Do It." Mrs. Robert Dubois gave the April current events.

Resolutions for the Edmonton convention were voted on.

A gift was presented to Mrs. McNaughton in appreciation of her demonstration, which she had presented to the W.I.

The district home economist, Miss Smith of Red Deer, will attend the June 4 meeting of the institute, to discuss the subject of "The Nurse's Aide Course in Calgary."

The district home economist, Miss Smith of Red Deer, will attend the June 4 meeting of the institute, to discuss the subject of "The Nurse's Aide Course in Calgary."

It was an open meeting, all ladies are welcome.

Miss Smith's talk will be on "Remakes Are Fun." Keep this date in mind and join with us for a few hours.

## Former Resident Dies In Calgary

(From Our Own Correspondent)

Mrs. Lena M. Currie, formerly of Didsbury, passed away suddenly in Holy Cross hospital, Calgary, on Monday.

She leaves to mourn her loss, three daughters, Mrs. V. A. Gilbre, Calgary; Mrs. George Parsons, Dawson Creek; and Mrs. M. R. Sutherland of Vancouver; two sons, Wilson of Van Nuys, Calif., and Jack of Nootka, Vancouver Island; and six grandchildren.

Funeral services will be held from Knox United Church, Didsbury, on Saturday, May 16, time to be announced later.

## Bergen Notes

(From Our Own Correspondent)

Mr. Jackman, superintendent of the Bowden Institute, was guest speaker at the Bergen Home and School Association meeting held in Soudre school. His topic, "Juvenile Delinquency in Alberta" was both interesting and instructive.

Rev. Walter Gamble and family are leaving for Rosedale, B.C., where the former will be pastor of the Pentecostal Holiness Church.

The J. Balsteads of Bergen have exchanged farms with the A. Nielsons of Harnattan. Both families moved last week.

Ladies Aid will be held at the home of Mrs. Wesley Haug on Thursday, May 28.

Rumor has it that Mr. and Mrs. Bob Moore and family are moving to Blackie.

Mr. and Mrs. Wilde of Didsbury have purchased Tom Lennon's place. Mr. Wilde has moved to the farm and we understand that Mrs. Wilde will follow shortly.

## WESTERDALE

(From Our Own Correspondent)

Mr. W. White of Melvin returned to his home on Sunday after spending the winter at the home of his daughter, Mrs. R. Jackson.

Lytle Bolton left last Wednesday to help with spring work on the Bill Orange farm at Zella.

Miss Phyllis Jackson is a patient in the Didsbury hospital, having been admitted last Tuesday suffering from a chest condition.

Greta Kershaw, who is taking a nurse's aide course in Calgary, spent the weekend at her home here.

A. R. Phil, R.C.A.F. Namo, spent the weekend here.

Mr. R. A. Jones left Monday to assist in carpenter operations at Penhold.

## Coronation Day Celebration Plans Are Made Here

### VICTORIA DAY TO BE CELEBRATED MAY 18

Victoria Day until this year celebrated on May 24 will, under a new government ruling, be celebrated on the closest Monday. This year the holiday will fall on May 18 and all stores, offices and most other places of business will be closed for the day.

So that we too may enjoy the holiday, The Pioneer will be published one day later than usual next week.

### WESTCOTT NEWS

(From Our Own Correspondent)

Sorry to hear Mr. Allen Kouschuh has been on the sick list. Bad time of the year to be sick, especially on the farm.

Little Arlene Weidner has been holidaying with her grandparents in Calgary while recuperating from a tonsil operation which was performed recently.

Mrs. Wm. McDonald spent a couple of days last week in Calgary having a further medical check-up.

A few farmers are trying to work in the fields but are finding the going heavy. Warmer weather is needed to dry the ground so it can be prepared for seeding.

### LONE PINE ORIOLES HOLD REGULAR MEETING

Regular meeting of the Lone Pine Orioles girls' club was held at the home of Pat Spragg on April 24.

Meeting opened with the singing of "When It's Springtime in the Rockies" and "There's A Lonely Little Robin" and the code was repeated.

Roll call was answered by 10 members and six visitors. A package of seed was handed in by each as their names were called.

Minutes of the last meeting were read and it was reported that at the last dance the club realized \$65.40.

A little dog bank was given to Barbara Weber from the club. Mrs. Shells read a topic on "What To Do Before the Doctor Comes," written by Jessie McCulloch.

Lois Shells volunteered to write the history of the club to send to Olds in July.

Mary Spragg won the 10-cent draw, which netted \$2.40. The members were asked to bring all handicraft to the next meeting.

A contest called "Black Magic" was given by Mrs. Spragg and Mrs. Bittner.

Mr. and Mrs. J. Chandler and family of Audre and Mr. and Mrs. Allan Chandler of Calgary spent Mother's Day with Mr. and Mrs. Lloyd Chandler and family.

Mr. and Mrs. R. Shantz and boys were Sunday dinner guests of Mr. and Mrs. H. Fischer.

Mr. and Mrs. Whitehair of Olds spent the weekend with their granddaughter and her husband, Mr. and Mrs. Claire Fischer.

Mrs. Henry Fischer received a Mother's Day phone call from Ronnie in Toronto.

Mr. and Mrs. Allen Krebs have moved back to their farm during Allen's convalescence. Martina and Jimmie will now take the bus to school with the other Melvin children.

Mr. and Mrs. Raymond Fischer and Mr. and Mrs. L. Chandler spent Sunday at the home of Mrs. Fischer's sister, Mrs. Art Jackson and her husband.

Mrs. Bill Bernard of Olds had tea with Margery Chandler on Sunday.

### ONE FARMER A WEEK KILLED BY TRACTORS

With the commencement of farming operations for 1953 the season of tractor fatalities has returned. Already the reports are coming in. Last week an Alberta farmer was killed when a tractor overturned on him as he was going up a hill. And a Saskatchewan farmer was killed last week when driving down a hill. He got too close to the edge of the road.

Tractors will kill one Alberta farmer each week all summer on the average. And the same in Saskatchewan.

Most of the danger, it seems, is on the roads. Not much seems to go wrong in the fields. But these heavy cumbersome machines aren't designed for the speeds they travel at on the roads. Unlike a car, they are not for the ditch if the operator's attention wanders for only an instant. Boys in particular are apt to be careless and a tractor in high gear on a road won't tolerate carelessness.

Ben Hogan pocketed \$4,000 recently by winning the Masters golf tournament at Augusta, Ga. He finished with a mark of 274, five

strokes better than the old one set by Ralph Guldahl. Hogan, right, is shown with Ed Oliver, who finished as runner-up with 279.

### LEGION CARD PARTY

A small crowd turned out at the Legion-sponsored whist and bridge party held in the Lions hall in aid of the Boy Scouts Friday evening.

Prizes, which were awarded to ladies only went to the following: First in bridge, Mrs. Dougherty; low in bridge, Mrs. Thompson. First in whist, Mrs. Gilson; low in whist, Mrs. M. Wood.

At a recent meeting held in the Lions hall here tentative plans were made for Coronation Day activities. Organizations represented included:

Town of Didsbury, Canadian Legion, Legion Auxiliary, Reserve Army, Boy Scouts, Olds School Division, Didsbury School Board, Didsbury School, I.O.D.E. Municipal District of Mountain View and the C.O.I.T.

Mr. Wiggins, principal of Didsbury school stated that the school are putting on a short ceremony on the preceding day and it was agreed that he should try to arrange to have this repeated on a platform to be erected in front of the bleachers on the ball diamond at 1 p.m. on Coronation Day.

The representative of the Lions Club agreed that his organization would be responsible for erecting the platform and would also look after the refreshment booth.

The I.O.D.E. and Canadian Legion Auxiliary agreed to handle the decorating of the platform. The Legion are to make arrangements for suitable sporting events in the afternoon.

It was agreed that each organization be assessed \$10 towards the costs, the balance to be assumed by the town. The Board of Trade will look after the funds and it was also suggested that they distribute suitable souvenirs to the children present.

The Scout troop agreed to assume responsibility for the beacon fire, if one was in order, and to cooperate in any way they could with other organizations to make the day a success.

It was also reported to the meeting that arrangements were under way to have all places of business on the front street where stands have been provided in the sidewalk, display a flag for the occasion.

### NURSING GRADUATE ENTERTAINED SATURDAY

Mrs. Ace Esler entertained Saturday at a tea in honor of Miss Marjory Chandler, who graduated from Holy Cross hospital the previous Sunday. Emilie Dupont gave several piano selections which everyone enjoyed.

A few contents pointed up Mrs. George Youngs as by far the sharpest lady in the group, while Mrs. L. McInnis readily helped in an observation test which was won by Mrs. Bill Collinge.

Mrs. Theresa Krebs presented Marjory with a gift from her friends, to whom she tendered her grateful thanks.

Mrs. Esler, ably assisted by Mrs. Betty Krebs, Mrs. Elsie Krebs and Mrs. Lou Roberts served a delicious lunch which ended a perfect afternoon.

Ben Hogan pocketed \$4,000 recently by winning the Masters golf tournament at Augusta, Ga. He finished with a mark of 274, five

strokes better than the old one set by Ralph Guldahl. Hogan, right, is shown with Ed Oliver, who finished as runner-up with 279.

LUNG T.B. DEATH RATE  
CUT BY 50 PER CENT

The death rate from tuberculosis of the lungs has been cut 50 per cent since the war by new methods of prevention and cure, the United Nations world health organization says.

A special report recently published said this "extraordinary drop constitutes one of the most sensational developments ever recorded in the field of public health."

Tuberculosis of the respiratory system ranks with cancer and heart disease among the major killers. The report said that in 21 countries publishing reliable statistics, more than 450,000 persons are alive today who would have died of tuberculosis if the average pre-war death rate had remained unchanged.

## Notes From D.A.

HUGH McPHAIL

## Demonstration Pastures

For several years I have been distributing pasture mixtures of various kinds. This is supported by the Crop Improvement Association and the Alberta Department of Agriculture. On flooded land some have tried a mixture of Red Top, Reed Canary Grass and Alsike. On higher land a common mixture was Bromus, Creeping Red Fescue, Timothy, Alfalfa and Alsike or Alta-sweede. Legumes were kept down to about 30 per cent of the mixture.

The following is a list of a few who seeded pasture mixtures in 1952 and the pastures should be worth watching this summer:

Wm. Hunter, Carstairs; John Sande, Eagle Hill; Wm. Turnbull, Hartmann, Guy Haynes, Didsbury; Mr. Berneth, Didsbury; J. M. Armstrong, Hartmann; Kenneth Brian, Cremona; Anton Peterson, Eagle Hill; Wm. St. Clair, Didsbury; H. Rourke, Cremona; Herb Nicholson, Waterville; Wm. Davies, Bergen.

From 1939 to current fiscal year federal government spending increased from \$553 million to an estimated \$4,462 million.

**SPRING ON THE FARM**

Canada's biggest industry looks to another year of plenty, early reports from across the nation indicate. In general agriculture is off to a good start.

But don't look for a banner year. Carryovers are large, domestic prices are dipping some (with eggs among the exceptions); overseas markets remain tight; U.S. has cut off dry concentrated dairy product imports.

Seeding got off to a particularly early start in Ontario and B.C., but was delayed on the prairies (where grain acreage is reported slightly down this year) and in the Maritimes, as the result of a cold wet spring.

**CHRISTIAN SCIENCE**

In Christian Science churches on Sunday, the Lesson-Sermon is entitled "Mortals and Immortals" and brings out man's glorious opportunity to walk in the light of spiritual understanding. It contains these uplifting statements, from the Bible: "For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: proving what is acceptable unto the Lord." (Eph. 5:8 and 10). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortals must gravitate Godward, their affections and aims grow spiritual — they must near the broader interpretations of being, and gain some proper sense of the infinite — order that sin and mortality may be put off." (265:5-9).

**Agricultural SERVICE BOARD NOTES**

W.K. Snyder, Field Supervisor

**Kill that stinkweed:** If you have fall rye, the likelihood is that your field is infested with stinkweed. A heavy growth of stinkweed will suppress the crop and no doubt ultimately depress the yield, to say nothing about the disagreeable taste and odor in the milk from cows pastured on these fields. It would certainly be to your advantage to spray these weed infested fields with 2-4-D. Four ounces of acid per acre should do the job. Get it as soon as possible before the stinkweed flowers. It will kill more easily with less acid when the plants are small.

When the trees arrive: Within the next few weeks thousands of trees will be going out to farmers all over the country. Pick up these trees from your express office as soon as you can after arrival. The shorter the time the trees are out of the ground the more likely will be your planting success.

If it is inconvenient to place them in their permanent positions immediately, "heel" them in temporarily. Heeling is a simple operation. Dip a trench about 8 inches deep by the same width. Thoroughly soak this trench with water and then place the roots of the trees in the trench and cover them again with ground to prevent drying out. Keep them good and moist by occasional watering.

Poplar and willow cuttings should be completely covered with ground and kept wet. Bundles should be opened and cuttings or trees spread out in the trench. If you have a fairly large number of trees to plant and want to use the municipal planter, get in touch with me and a date will be arranged for you.

The father was objecting to his son's girl, insisting that he ought to be a little more particular about the feminine company he was keeping.

"I'm sorry, Dad, said the boy, but that's the best girl I can get with the car we've got."

**Through The Study Window**

Rev. C. C. Armstrong)

The other day, a business man who must be nameless, gave me some advice on how to plant Spanish onions. His recommendation was to plant them with the roots down. But as he did not tell me which end was the one with the roots, I was little wiser than before, so the advice that was offered will be given the usual treatment and ignored.

Advice is something that a wise man never gives and that a fool never takes. But it is inexpensive to give, and may, by some working of Providence, prove useful. So I would like to contribute my two-bits worth. It concerns the matter of fires.

Whenever the fire siren goes at any time other than at noon, nearly every resident in a small town feels duty bound to do a little personal investigating. Just what part he may take in the control of the fire is a bit obscure — but a fire that is not worth seeing may always develop into one that is. So away we go — and spare not the cylinders.

One may write light-heartedly about this — but only because no tragedy has resulted so far in the mad scramble for everyone to get in everybody's way. Cars, bicycles, small children, dust and excitement are all productive of accidents that may be fatal. The inconvenience of the voluntary fire brigade, threading their way through a collection of cars, is something else again.

The view, through this window, is that when the fire siren goes every car, except those of the fire brigade, ought to pull over to the side of the road, out of the way, and stop. Every violation of this rule ought to be treated as a traffic violation, and offenders fined accordingly. Having stopped for a sufficient time, say five minutes, for the fire truck and fire fighters to be on their way the spectators then could proceed at normal speed and observing normal caution. And of course, all children who disobey the rules of safety can be suitably warned up, anatomically, in the privacy of home discipline.

About this stopping and enforced precautions, one could always use the delay to purchase a few weiners, thus stimulating business, and would provide something useful to most in the dying embers of the fire. One does not mind seeing embers die. It is quite another matter to see a child die because of some traffic accident caused by the needless scramble to be first at the scene of the blaze.

## Housing Headaches

One out of six Canadians tosses  
his hat into or leaves his tricycle in  
front of a postwar home.  
This year we are building new  
houses faster than ever before. But  
there's still a housing shortage.  
And right now there's looming  
some increasing pressure on mort-  
gage funds because of the almost  
open winter. Mortgage approvals  
this year are running sky-high over  
last year, according to The Finan-  
cial Post.

Lending institutions aren't delib-  
erately cutting off mortgages. They  
haven't got the money to lend.  
They are close to the limits in  
mortgage investments.  
How many houses do we need ...  
Family formation and old homes  
wearing out put a physical base to  
the housing needs of something  
around 90,000 homes a year. But  
this is no limit. We will keep on  
wanting more and better homes as  
long as we have expanding tastes  
and as long as we have money to  
spend.

And if we want to buy new cars,  
television sets, push back a fron-  
tier, build factories and support a  
defence program at the same time,  
we just won't have the money to  
build all the houses we may want.  
And that's where we find ourselves  
right now.

**How many  
Canadians keep  
warm with oil?**

More than 4 millions. Oil is used in the furnaces or heaters of more  
than a million Canadian homes—better than one in four.

Oil plays a large and growing part in our everyday living. How  
many of these questions about it can you answer?

How does Canada rank among the nations in  
known oil reserves—  
1st? 17th? 21st?

How many barrels of oil (35 gallons to a bar-  
rel) do you think Canadians use in a year—  
8 millions? 167 millions? 300 millions?

When the Leduc field was discovered, the whole-  
sale price of gasoline at Edmonton was the  
highest of any major Canadian city. Today it is—  
even higher? lower? about the same?

Energy produced at Niagara Falls each day is  
equal so that in 9,000 barrels of crude oil.  
Prairie oil fields now produce energy equal to  
how many "Niagaras"—  
22 112 181

Taxes take a big part of a company's income.  
How would you say Imperial's 1952 tax bill  
compared with its dividends? Was it—  
greater? less? about the same?

Far down the list a few years ago, Canada now  
ranks eighth. Except for a group of Middle East  
countries—Iran, Iraq, Kuwait and Saudi Arabia  
—only the U.S., Venezuela and Russia have  
larger reserves.

Last year 165 million barrels—about one gallon  
for every man, woman and child. Canada uses  
twice as much oil as she did six years ago.

Edmonton's wholesale gasoline price is now the  
lowest in Canada, 10% below the average for  
other leading cities. The new discoveries mean  
price savings of millions of dollars each year to  
the people of Alberta.

The energy of the oil produced in the western oil  
fields each day is about 18 times that generated  
at Niagara.

Taxes were \$55 millions, about 24 times divi-  
dends to shareholders. For each dollar of income,  
Imperial paid 10¢ in taxes and 4¢ in dividends.  
Tax figures do not include gasoline sales tax  
paid at the pump.

## DISTRICT NEWS

### M.V.B.C. NEWS

(From Our Own Correspondent)

The choir has returned and all the students have gone to their places of work for the summer months. How we miss them here for activity does become a part of life and when it is diminished it is noticed greatly. However, pleasant memories are also worthwhile.

Miss Iris Schlitt, Reg.N. and a graduate from the Bible Department of the College this year, was called to the board meeting of the United Missionary Society in Indiana for consideration of her application as missionary to Japan. She left with Rev. H. A. Traub and others on Tuesday.

Rev. and Mrs. Taylor of the College are making preparations for the meetings to be held in Washington and Idaho next week. By the time this column is read they with Misses Joyce Burkholder and Dorothy Stauffer, will be in meetings in Idaho. Miss Iris Schlitt will join them a few days later. This is the beginning of intensive deputization work for the summer.

On Tuesday afternoon the ladies of the local Women's Missionary Society held a shower for Miss Jean Flinn and Miss Jean Burkholder. Two graduates of this year who are doing missionary work among the Indians, northwest of Noreg.

They will be leaving for their post within a few weeks. The gifts were many and varied and the good wishes of the society were expressed by the president, Mrs. Lynn Hunsperger. A lovely lunch was served.

Mr. G. Lyle and Mrs. Richardson were guests of friends in Banff over the weekend. They returned to the campus on Wednesday. They with the Taylors were guests of Mr. and Mrs. Sawatzky at Sunnyslope on Thursday evening.

Mrs. Lydia Suder left for the Women's Missionary Society annual meeting in the States last week. She will be gone almost a month, attending also the Holiness convention in Chicago.

Wayne Kagey is remaining on the school grounds during the summer months as workman on the campus. We are most happy for his assistance for there is much work to be done in painting, etc. this summer.

Mrs. Habermehl, with some assistance, laid the linoleum squares on the kitchen floor recently. These were a donation to the College and they certainly brighten up the kitchen.

The rhubarb will soon be ready for use. We will be most happy to receive what can be given us during the spring season. Mrs. Habermehl will soon begin to pack eggs also.

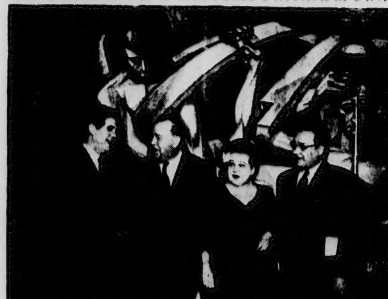

Rev. Earl Archer returned to the campus after an extensive evangelistic tour in the States. He will be here for a few days before returning to hold further meetings.

This year, as in previous years, the students have compiled an annual, which is full of interesting material for every one. The annuals have arrived and are now for sale at the office. You will want your copy and information concerning them may be secured from the office at any time. Get yours today.

### FOR SALE

### Mural Dedicated to World Peace Unveiled at U.N.

A huge mural covering a curved wall over 60 feet long and 10 feet high was recently unveiled at United Nations Headquarters. Painted in tempera directly on a canvas-covered wall by Jose Vela Zanetti, Director of the National School of Fine Arts of the Dominican Republic, it depicts man's eternal struggle against evil. The mural is the gift of the Guggenheim Foundation, under whose fellowship the 39-year old Spanish-born artist worked. In front of the mural after the unveiling ceremony are, from left to right: Vela Zanetti, U.N. Secretary-General Trygve Lie; Argentine Representative, Dr. Joaquin A. Salazar, Dominican Representative to U.N.

### FALLEN TIMBER

(From Our Own Correspondent)

The Money family have a wee porcupine called Jocko. They find him quite an amusing and lovable pet and report he plays like a kitten.

We see Mr. and Mrs. W. Fyten, Lynn and Katherine, and Miss Esther Johnson are home from a trip to Long Beach, Calif.

Mr. and Mrs. B. Carter and family have moved to Hartmann.

We are sorry to hear that Mr. E. Hayes is a patient in the Holy Cross hospital. We wish him a speedy recovery.

We are also sorry to hear that Roger Hayes had the misfortune to break his elbow.

Mr. and Mrs. Wattie tipped their car over recently but fortunately no one was injured.

Part of the bridge on the Fallen Timber, first ford crossing, is out and the river is a bit high and consequently the Morrison children are unable to attend school.

Mr. and Mrs. Don Stair and family of Calgary were visitors at the home of Mr. and Mrs. Dean Stair recently.

The regular meeting of the Busy Bees was held at the home of Mrs. Joe McGiffin with 11 members and two visitors present. The two visitors joined the club.

Roll call was answered by the exchange of aprons. It was decided to have a picnic on May 20 at the home of Roberta Stair.

Ladies are asked to bring silk pieces to be cut into quilt blocks. Also the ladies are to meet at the Louise Massey home May 29 for a 10-cent tea. Ladies are asked to make arrangements for transportation to the June meeting in Calgary.

It was decided to fine members for each unnecessary interruption during business sessions.

After the business session a draw was held with Mrs. Bob Spangway being the lucky winner. A delightful lunch was served by Mrs. Rosalind and Mrs. Irene Teysior. Mr. and Mrs. Lester Krebs visited at the home of Mr. and Mrs. F. Herbert.

### ONLY CIGARETTE SMOKING LINKED TO CANCER

A cancer specialist says unpublished findings suggest a close relationship between lung cancer and cigarette smoking but not pipe or cigar smoking.

Dr. Norman Topping, vice-president of a U.S. university for medical research, said that there was a definite correlation between cigarette smoking and lung cancer, but there was no correlation between pipe smoking or pipe smoking.

He said: "The implication there is that it was not the tobacco necessarily which caused the cancer of the lung, but that something in the process or perhaps the peculiarities of the cigarette smoking were correlated with cancer of the lung rather than tobacco per se."

Otherwise you would find it in heavy cigar smokers as well, which was not found.

The report continued: "Smoking certainly is not the only cause of lung cancer, or does in any sense everybody who smokes excessively get lung cancer, but there is a correlation between the smoking and the amount smoked and the occurrence of cancer of the lung, which is a problem of rapidly increasing proportions."

"It has been suggested that people who smoke are more tense, more nervous and have a different hormone composition from the people who do not, and that cancer of the lung and conceivably elsewhere may receive emphasis from this and not the mechanical act of smoking."

## Little Items of Local Interest

Word has been received from Prince Rupert, B.C., of the death of Alvin Ploger, who was an old time resident of Westcott and Didsbury until eight years ago when he moved to Kamloops. News of his death was a shock to friends and relatives here.

Mr. and Mrs. Alec Hall celebrated their silver wedding anniversary on April 28. Fifteen guests sat down to an English supper, the table being decorated with a beautiful centerpiece made up of 25 carnations.

Three soldiers from this district Bob Hall, Bud Chaffin and Howard Stevens, are en route to Korea.

Miss Bessie Reist, who is employed at Eaglesham in the Peace River area, has been home the past two weeks while her mother, Mrs. A. Reist was a patient in the Didsbury hospital where she underwent a minor operation. Bessie expects to leave Friday for the north country.

Dorothy Ringheim and Vera Raffenstein were in Calgary on Wednesday of last week attending a Yardley cosmetic course held at the Palliser hotel.

Mrs. Les LeGrand and her mother, Mrs. Patterson, of Tisdale, Sask. left Monday for Excelsior Springs, Missouri, where the former will undergo medical treatment.

Dr. and Mrs. R. K. Mortimer and son Douglas, of Berkeley, Calif., are visiting the latter's parents, Mr. and Mrs. H. E. Wood, for several weeks.

Mr. and Mrs. L. Kumin and family of Jumping Pound were Sunday guests at the home of Mr. and Mrs. Alf Allen.

Dr. and Mrs. F. McKenzie left Sunday to spend a week in Edmonton.

Mr. K. Uhlman of Red Deer has been transferred to the local branch of the Royal Bank.

The Mother's Day tea sponsored by the Evening Group of Knox United W.A. was a very successful event. Over 150 attended and enjoyed the display of costumes of yester years. One costume dated back to 1855 and was worn by Donna Blaine.

Mr. Harry Cudney and daughter, Mrs. Scarrow and Miss Boies, all of Calgary, were dinner guests on Mother's Day with Mrs. Boies and Ron.

Mr. and Mrs. Denis Jenkins and two sons of Calgary and Dick Jenkins of Edmonton visited over the weekend with Mrs. E. Jenkins and Mr. and Mrs. Dave Jenkins.

A farewell smoker in honor of Mr. Wm. Payne was held Saturday night at Melvin hall. Approximately 75 businessmen and farmers were on hand for the enjoyable evening and the guest of honor was presented with going-away gifts.

### BRIDE-ELECT HONORED AT RECENT SHOWER

Mrs. Charles Kohut and Mrs. Lawrence Hunter were hostesses at the Mountain View Hall on Saturday afternoon when between 45 and 50 ladies gathered for a shower for Miss Margaret Atkinson.

The bride-elect's table and chair were decorated with pink and white streamers. Her sister accompanied her to the table.

Several contests were enjoyed during the afternoon, after which Mrs. Russel Sherrick, on behalf of all ladies present, presented Margaret with all the lovely gifts.

Miss Kay Atkinson wrote down the names of the articles and who they were from, so they could be put in the bride's book which Margaret also received of her life.

Margaret thanked all the ladies for the lovely gifts and mentioned what a surprise the shower was to her when she learned of it.

The afternoon came to a close with a lovely lunch served by the ladies.

### CARD OF THANKS

I would like to thank Dr. McKenzie and the staff of the hospital for the kindness and care I received while a patient in hospital. Also my many friends for cards and flowers received.

MRS. E. JENKINS

### CARD OF THANKS

Evening Group W.A. of Knox United Church wish to thank those who helped in any way to make the fashion display and Mother's Day tea so successful.

## Rugby W.I. May Meeting

The May meeting of the Rugby W.I. was held at the home of Mrs. Percy Hoesgood with an attendance of 18 members and five visitors.

The meeting opened with O Canada, followed by the creed. Roll call was answered by "a house-cleaning hint."

The crib quilt, made by Mrs. Helen Shannan, was on display. It was decided to send it to the handicraft exhibition at the convention, which is to be held in Edmonton.

The members wish to thank Berch's store for the donation of wool samples, which will be used to make quilts.

Four boxes of used clothing have been collected to send overseas.

Mrs. J. Hoesgood gave a reading, "The Grace of Gratitude," for the five minute topic.

Mr. H. Lynch-Staunton of Didsbury gave an interesting and informative talk on "The Rights of Married Women."

Mrs. McNaughton took first and Mrs. Vipond second in the chiffon cake contest.

The date for the June meeting has been changed to Monday, June 1, due to an invitation to attend the Westcott W.I. meeting on the regular day. This meeting will be held in the Westcott church.

Approximately \$90 has been collected for the Cancer Fund.

The meeting closed with "God Save the Queen," following which lunch was served.

### D. J. ROBERTSON CANDIDATE FOR MINISTRY

Mr. Donald J. Robertson, son of Mr. and Mrs. A. M. Robertson, Char-Stairs, was received as a candidate for the Christian ministry in the United Church of Canada. He was received by the Red Deer Presbytery when it met on Friday in Gaetz Memorial Church, Red Deer. The reception service was conducted by Rev. H. P. Marston, Lacombe, who is chairman of the presbytery, assisted by Rev. C. C. Armstrong.

Donald Robertson is a member of Westcott United Church. He will take a course in agriculture at the University of Alberta, followed by a course in theology, in preparation for work as an agricultural missionary. He has been active in boys' work in Scouts and Tuxis and in the Young People's Society. At present he has completed his first year in agriculture at the university.
